

## Classy Sites Summer 2022 Online Workshop

Each week features a topic, related tools, and an optional assignment. Weekly videos are between 40 and 60 minutes in length.

### Some things participants are invited to learn and do in *Classy Sites* include...

- ★ Browse example sites to use as inspiration.
- ★ Identify your audience and purpose.
- ★ Craft a brand that includes a logo, color scheme, and fonts.
- ★ Create a stylish site header.
- ★ Learn about free tools for creating custom graphics.
- ★ Explore various website structures and layouts.
- ★ Understand the importance of accessibility.
- ★ Insert various media into a site, including audio, video, forms, calendars, maps, and games.
- ★ Investigate how to create specially designed sites, including sites for digital breakouts, badge distribution, and templates.
- ★ Build one site over the course of five weeks or build multiple sites.
- ★ Comment on classmates' projects and borrow from their ideas.

Week 1 begins June 29

Week 2 begins July 6

Week 3 begins July 13

Week 4 begins July 20

Week 5 begins July 27
